

## City of Sand Point

### RESOLUTION 18-03

#### **A RESOLUTION OF THE CITY OF SAND POINT SUPPORTING THE EFFORTS OF SAND POINT GENERATING, LLC TO INSTALL ADDITIONAL EXCESS LOAD BOILERS IN SAND POINT CITY HALL**

**WHEREAS**, the City of Sand Point city hall contains municipal offices, tribal offices, a public radio station and hosts a variety of community-wide programs and activities: and

**WHEREAS**, the City of Sand Point covers utilities for all users of city hall in order to keep rent low and provide an affordable space for community-oriented groups; and

**WHEREAS**, the City of Sand Point recognizes the past efforts of Sand Point Generating, LLC to install excess load boilers in the Sand Point School and Sand Point Clinic to harness excess wind generation capacity to offset fuel consumption by conventional boilers; and

**WHEREAS**, the Sand Point Generating, LLC has remaining Department of Energy funds to contribute towards an excess load boiler that can be installed in a public facility; and

**WHEREAS**, the City of Sand Point desires to lessen their reliance on imported diesel fuel and lower the operational cost of the city hall building to further serve the community.

**WHEREAS**, the City of Sand Point and ADOT & PF agree to a review of collection and expenditure of land fees upon request from the City of Sand Point.

**NOW THEREFORE, BE IT RESOLVED THAT:** The City of Sand Point, by this resolution, supports all efforts by Sand Point Generating, LLC to expend the remaining Department of Energy funds for the installation of an excess load boiler in the Sand Point city hall.

**PASSED AND APPROVED BY A DULY CONSTITUTED QUORUM OF THE CITY COUNCIL FOR THE CITY OF SAND POINT ON THIS 5<sup>th</sup> DAY OF JUNE, 2018.**
