ADMINISTRATOR
Here is a summary of items since our last meeting:

- On September 13th, I relocated to the Anchorage office for the winter. Fall is a busy time for conferences and meetings in Alaska. I took time off to attend the Aleut Corporation meetings on September 21 and 22 and will again for TAC's annual meeting this month.

- As reported at the last meeting, I attended the AML Infrastructure Conference the week of September 25th. It was a valuable week of learning about many new grant opportunities available to the City of Sand Point. The networking was a bonus. Currently, I am sorting through NOFAs, email announcements, and websites to identify funding sources for our needs. My next step is to meet in person or by phone to determine eligibility and then issue letters of interest.

- The harbor bridge project is still under consideration. Hopefully, by the time we meet, I will have an update.

- The FY22 audit is still outstanding, but I expect BDO to present it at the next meeting. Also, we are still in the process of selecting a new auditor.

- I assisted Mayor Smith with creating a new combined position to oversee our Fire and EMS Departments. We have secured the funding to do this and are advertising a full-time director position.

- Priorities for me through the holidays are to write grants, become very acquainted with our budget, and work on possible strategic planning.

EMS DIRECTOR
EMS REPORT – SEPTEMBER 2023

2 911 CALLS FOR AMBULANCE
3 MEDEVAC’S
1 STAND BY FOR CROSS COUNTRY RACES
1 PATIENT BROUGHT FROM KING COVE WAS TAKEN TO CLINIC WHILE WAITING ON MEDEVAC TO ARRIVE

A class is needed to re-certify expiring/expired ETT’s as soon as possible. I will pass on a company name that I have been speaking with regarding scheduling for whomever is responsible for EMS.

EMS currently has 1 EMT1 that recently joined and 2 very limited EMT’s that are clinic staff. As many of you may not know, in order for the ambulance to respond to a call to transport a patient, at least 1 EMT1 MUST BE on board, otherwise the ambulance should be considered to be out of service if there is not an EMT1 available to go on the call.

State re-certification for our BLS Ambulance service is due before the end of December.

Sincerely,
Denise Mobeck
Temp EMS Director

Dear Mr. Mayor Smith & Council Members,

The Qagan Tayagungin Tribe Environmental Department would like to thank you for your generous donation and continued support. With the donation we received we were able to get burgers, hot dogs, soda, chips, and additional prizes for the event.

The End of Summer Clean-up event was a great success. There were 43 participants and 126 bags of trash collected along the sides of the roads. We are so thankful for these events because they leave our community and members a healthier environment.

WE GREATLY APPRECIATE YOUR DONATION FOR THIS CAUSE

Sincerely,

Clarissa Derive
